

On 14.6.21 a threadbare discussion took place at the chamber of Principal regarding agenda 1 and it has been decided that the institute will start a system of an online Grievance Registration Mechanism for better deliberation of the service. It will help people, especially the student community to share any issue.

Three different online mechanism will be introduced viz.

- i) Same as Faculty staff complaints/Grievances/Suggestions Registration System.
- ii) Online students' Complaints/Grievances/Feedback Registration System
- iii) Same as Caste-based Discrimination Complaints Registration System.

Links to such a registration system will be projected on the institute's website. Respective committee convenors will keep track of it. Students will be notified regarding this facility in due course of time.

The meeting ended with the vote of thanks by the convenor Grievance Redressal Committee.
